preface

» Magari, meaning hopefulness, anticipation and a sense of ‘what if’, is what our collection inspires in you.. «

Our furniture is thoughtfully designed, reviving past traditions and art forms with modern technology and local artisans.

Each inspired collection we bring to the floor is influenced by various global cultures and accentuated with accessories carefully curated over several worldwide expeditions. From the wood we choose to work with, the fabric we use, and the skilled workmanship we employ, everything we select is to enhance your experience.

Our vast range of products includes furniture, fabrics, lights, accessories, wallpaper, rugs, wooden flooring, bedding, wardrobes and kitchen solutions. Everything that you need for your special space, all under one roof.

Magari champions the timelessness of community-based handicrafts and its potential for reinvention and coexistence with modern day practices.

The features of the elements that come together to craft every product are both individual and collective, i.e. they make up 'each one' and 'everyone'

"All Towns are one, everyone our kin."
